**** Please note: We attempt to elect equal representation covering the state; however, our primary goal is to elect four eager representatives. Council Representatives can be from any district. Representatives from all districts are encouraged to apply. ****

Responsibilities of Council Members

As an AFR Women’s Cooperative Council member you will assist in the planning and implementation of the AFR Women’s Cooperative vision. This will include events such as the AFR State Convention activities, the Women’s Cooperative Initiative, Women’s Conference, and other various activities.

All council members must attend at least 50% of yearly meetings and 75% of Women Cooperative events.

Announcement of District Representatives and Chair

The 2021-2023 AFR Women’s Cooperative Council members will begin their two-year term at the 2021 AFR State Convention and conclude their term at the conclusion of the 2023 AFR State Convention.

Open representative positions will be voted on by the current 2020 council members. Election results will be announced January 2021.

Women’s Cooperative Council members who will begin their second year of their two-year term (2020-2022) are eligible to run for the 2021 Chair position. The Women’s Cooperative Coordinator will contact the four eligible candidates to see if they would like to be considered for the 2021 Chair. The current 2020 council members will vote on the 2021 Chair position and the 2021-2023 district representative positions on the same ballot.
